ostrova

A soft, layered organic form suggests an island-like silhouette with concentric contours, expressing depth, calm, and a natural sense of place.

Brand guidelines

The mark

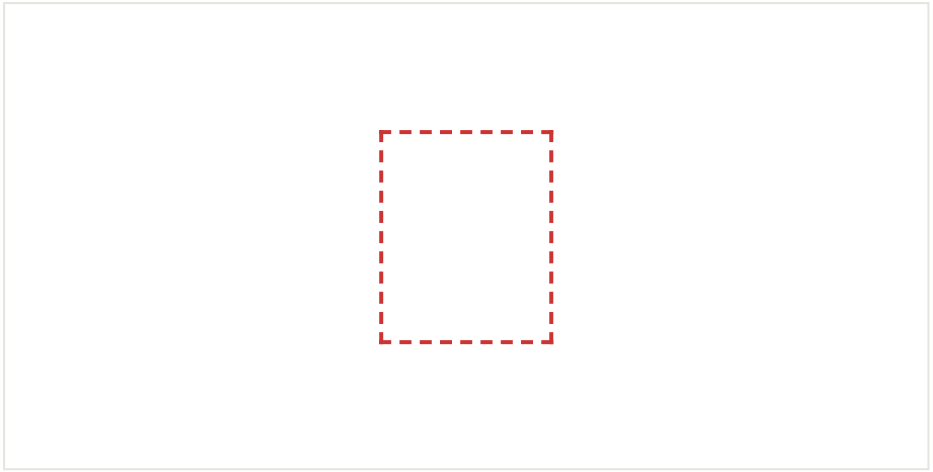

Horizontal is the default. Stacked for square spaces. The symbol alone for favicons, avatars and stamps.

Clear space and minimum size

Keep empty space around the logo equal to the height of the symbol on every side. Nothing enters that area: no text, no edges, no other marks.
